

## **2017 “Make-It-Happen” One-Pocket Invitational June 8-11, 2017**

For our 10<sup>th</sup> edition of our MIH series, six super-talented professional players were selected to compete in this year’s Accu-Stats’ “Make-It-Happen” One-Pocket Invitational. They are:

• <b>Efren Reyes</b>	<b>Defending “One-Pocket Champion”</b>
• <b>Shane Van Boening</b>	<b>#1 Ranked U.S. Player</b>
• <b>Francisco Bustamante</b>	<b>2013 DCC Master of the Table</b>
• <b>Alex Pagulayan</b>	<b>2016 DCC “All-Around Champion”</b>
• <b>Billy Thorpe</b>	<b>2017 DCC “One-Pocket Champion”</b>
• <b>Josh Roberts</b>	<b>Top echelon One-Pocket specialist</b>

This four-day event will again be staged at Sandcastle Billiards in Edison, New Jersey in the Aramith/Simonis TV Arena. These events only work because supporters like you purchase “Make-It-Happen” packages which finance the entire production. As always, 100% of the support money goes into the event. Accu-Stats takes nothing.

The six players’ airfare and lodging is taken care of, and there are no entry fees. Usually, players are out of pocket about \$2,000 at most pro events after paying for their airfare, lodging, and entry fees. At our “Make-It-Happen” events, the players get a free ride . . . **LIKE THEY DESERVE!** They only have to focus on pocketing \$1,000 for each win.

All races will be to four games on a 9’ Diamond Pro-Am Table with Simonis 860 Cloth and Aramith Balls. The round-robin format has everybody playing everybody else. Every match is of “finals” caliber. After playing five matches each, the two players with the best won-lost record will advance to the finals for the title and another payday.

Every match is played in the TV arena. Whether you are there live, watching live on the Internet, viewing DVDs, or logging on to Vimeo, you won’t miss a single match. Each one is covered in its entirety with our legendary expert commentators Bill Incardona and Danny DiLiberto.

Accu-Stats needs your support to “Make It Happen”. We are not asking for donations or sponsorships. We’re offering a bundle of products and services with a retail value in excess of \$500 at a special price of \$300. You may even share in the \$1,000 “Won-Lost Challenge” prize being awarded to the two supporters who predict the most winning matches. Still interested. Read on.

## **Where Does Your \$300 Go?**

**In addition to the prize money, Accu-Stats covers each player's travel and lodging expenses. They incur no entry fee costs either. Our professional production crew is flown in for the Internet viewing and recording. Accu-Stats provides shuttle service for the contestants as well as the attendees at no charge. And let's not forget the value of the products that YOU receive. Considering all of these expenses, the budget for this event is over \$40,000 (and a bargain at that!). None of the money goes to Accu-Stats. It all goes to the production of the event. And THAT's why we need your support.**
