## Comments on each match:

- 1) Looked like an Immonen rout after 6-0. Next thing you know, Cohen is in the lead 7-6. Immonen retained control to win 11-8
- 2) Van Boening displayed his normal talent . . . superstar.
- 3) Very talented Johnathan Pinegar told the US Open winner that he can play too.
- 4) At 7-1, Mazon felt comfortable, but Engel made him worry and almost took it down.
- 5) Watch out for this lady. She will be one to contend with for a long time. No doubt that Dominguez felt the pressure.
- 6) Great shots and strategies from both players. Hopkins held on better.
- 7) Strickland, with his extra long cue, played fabulously. Mills didn't play well and got the bad rolls as well.
- 8) Lo Li-Wen is a top notch player living in Japan. Shuff put up a good fight but was outclassed.
- 9) Best match of the event. Klatt put together seven racks from the start. Appleton wasn't fazed. He took care of business at every opportunity and won in the end.

- 10) Morris is at the top of his game. Varner couldn't compete with him.
- 11) Lining played as well as Archer. Hard to believe the score.
- 12) A combination of thrilling shots and unforced errors. Exciting finish.
- 13) Appleton never lets up. Top speed all the time regardless of pressure. Great finisher regardless of the score.
- 14) Watching this match tells you who is the big favorite to win this event.
- 15) Pagulayan outplayed Nevel. Nevel couldn't chop down this big tree and splintered his ax to boot.
- 16) Darren Appleton seems unbeatable.
- 17) Putnam took a big lead and lost it.
- 18) Appleton played the best all week including this match and deserved to win the event for the second year in a row.
