Starred Matches:

- 349B-04* Chris Bartram gave Mika Immonen his only loss, never gave in to the pressure and deserved the win.
- 349B-10* Any match with Earl going to the hill with all of his histrionics and psychological drama, pitted against a player who never shows emotion like Rafael, is worth the price of admission.
- 349B-11* Ricky Yang. Ricky Who? Well, you will not soon forget this young man after watching this thrashing of Ronnie Alcano, one of the greatest nine-ball players of all time.
- 349B-15* An uncomfortable match up, business partners and the best of friends, but somebody's got to go home early. Nip and tuck right until the end. Don't miss it.
- 349B-17* Donny Mills made his Accu-Stats debut being undefeated while playing for the "hot seat" with Ralf Souquet. Donny was the underdog, but didn't play like one. In fact, he played well enough to win, and almost did.
- 349B-18* Could Donny do it again? Could he now be as competitive against the best player in the world? Yup! He was the star, played well enough to win, and "almost did".
- 349B-19* Could Mika Immonen win this thing two years in a row like Nick Varner did 20 years ago? The match could have gone either way, but in the end, Ralf just didn't get there.
